always part of your life

PIPELIFE

WE ARE WIENERBERGER

PIPELIFE was founded in 1989 as a joint venture of Solvay (Belgium) and Wienerberger (Austria) with activities in Austria, France and Germany. Since 2012, PIPELIFE is fully owned by Wienerberger.

With our headquarters based in Vienna, Austria, in the Wienerberger House, we are actively present in 24 countries with over 3,700 employees, and exporting our solutions to countries around the world.

WORLD OF WIENERBERGER

wienerberger is the world's biggest **brick** manufacturer, and the market leader in **clay roof tiles** in Europe and in **concrete pavers** in eastern Europe.

Innovative **pipe solutions** for infrastructure, buildings and agriculture.

Active in
Europe, North America and India

PIPELFE is a leading international provider of sustainable piping solutions that connect people and communities with water, energy and data.

Focus on piping solutions for
infrastructure and house building

Our purpose is to provide the necessary means of infrastructure to create a safer, healthier and more carefree living for current and future generations.

Whether behind walls, in floors, underground, or at the bottom of the sea, our solutions may be hidden but they are always part of your life.

Pipelife Austria History

Start of plastic pipes production up from **1957** via 2 family owned companies (Salen and Tekum).

After several years owners sold their shares to Wienerberger (Austria) and Solvay (Belgium).

PIPELIFE Austria was founded in 1989 as a joint venture of Wienerberger and Solvay.

Headquarter in Vienna, Austria,
Production site in Wr. Neudorf (appr. 15 km south of Vienna)
21 outlets all over Austria.
